The Towns County Indians had three players in double digits en route to a come from behind 59-42 preseason win over the Blue Ridge, NC Bobcats.

The Indians held small leads for most of the first quarter but found themselves at a 7-7 standoff by quarter's end. They then jumped out to a 12-7 advantage during the first minute of play of the second quarter but Blue Ridge struck for 8 straight points and a 15-12 lead with 4:28 on the clock.

The Indians used the 3-point shot to advantage the remainder of the quarter, however, as sophomore Aaron Dodson's second trey of the stanza got them a 15-15 tie at 4:08 and freshman Grant Arenecibia sank three treys between the 3:11 and 4:08 marks. Arenecibia's shots gave the Indians an 18-17 lead, a 21-21 tie, and a 24-21 lead which became the score at intermission.

A trey and a deuce had Blue Ridge leading 26-24 a minute and a half into the third quarter but the Indians exploded for a 20-1 run between the 6:18 and 7:08 marks for a 44-27 lead which the Bobcats reduced slightly to 44-30 entering the fourth quarter. A Brandon Henderson basket got the Indians even at 26-26 and another by junior Ryan Tallent at 5:30 gave them a 28-26 lead they would never relinquish. Tallent included a pair of treys in leading the third quarter onslaught with 10 points.

The Indians took a pair of twenty one point fourth quarter leads at 53-32 and 55-34 before closing out the 59-42 win. Arenecibia struck for two additional treys in leading the fourth quarter action, finishing the game with five for eight accuracy from behind the 3-point line.

Blairsville - The start of the 2011 Towns County Middle School started off slowly thanks in part to the Union County Middle School Panthers.

The Indians' boys and girls' teams dropped their road opener Monday to the Panthers.

The Towns County Middle School Lady Indians slipped back on track for their home opener against the Lumpkin County Lady Indians with a convincing 36-22 victory.

Jocelyn Byers and Brooke Smith led all scorers with 10 points each.

In an all around solid effort, Jessica Barker accounted for 9 of Lumpkin County's 22

points. The Towns Indians boys' squad showed promise in a spirited comeback but didn't fare quite as well, dropping their second game 50-39.

On Friday, both boys and girls teams traveled to Tallulah Falls and came away with wins against teams again bearing the same name.

The Towns County Lady Indians girls took the opener 40-15 as yet again Jocelyn Byers led all scorers contributing 10 points. Tallulah Falls' Aida Roberts led her Lady Indians chipping in 7 points.

Young Harris - Corey Garrett won't be eligible to suit up for the Young Harris College Mountain Lions until the Christmas Break, but the Blairsville native said he's looking forward to hitting the hardwood.

"This is my first year playing college ball," said Garrett, who starred for the Union County Panthers during his prep days. "I'm really excited; it's going to be a different experience just going from high school ball to a college atmosphere. It should be real fun - I'm excited."

Garrett was dressed in street clothes as the Mountain Lions triumphed 76-61 in their season opener at the Valley of Doom on Saturday against Bryan College.

"We play hard for Coach (Pete) Herrmann," Garrett said. "Offensively we've looked pretty good, if we just play defense the way we were coached to play defense, we should come out on top."

Garrett expects the Mountain Lions to be a versatile squad this season with several players experienced at the various positions on the hard-

wood.

The top three scorers - sophomore guards Frank Adams and Steven Viterbo, and sophomore forward Bryson Robertson - return from last season. Adams led the team with 21.7 points per contest and was third in rebounding at 6.2 boards off the glass.

Viterbo, who can play four different positions, led the Mountain Lions with 8.2 rebounds a game and 63 steals; he was second in scoring at 16.9 points per game. Robertson led Young Harris in blocked shots with 53, was second in rebounding with 7.4 boards per game and third in scoring, averaging 11.5 points per game.

"Steve (Viterbo) was our MVP last season," Mountain Lions' Head Coach Pete Herrmann said. "Frank (Adams) is a great driver and penetrator while Bryson (Robertson) was our most athletic player up front."

Robertson scored 25 points against Bryan to lead the Mountain Lions to a 76-61 victory.

Mountain Lions' sophomore guard Vince Martin, who was redshirted last season, also is expected to make an immediate impact for the Mountain Lions. He scored 16 points in the Mountain Lions' Homecoming win.

Garrett is expected to miss a total of 10 games before he becomes eligible to suit up for the Mountain Lions.

He says playing under Coach Herrmann is an exciting and educational experience.

"He knows all there is to know about basketball," Garrett said. "It's a huge learning experience. I love him to death. He's awesome, I'm thankful I have this opportunity to learn from (one of) the best."
