SUMMARIES OF PROPOSED CONSTITUTIONAL AMENDMENTS

Pursuant to requirements of the Georgia Constitution, Attorney General Christopher Carr, Secretary of State Brad Raffensperger, and Legislative Counsel Richard C. Ruskell hereby provide the summaries of the proposed constitutional amendments that will appear on the November 3, 2020, general election ballot for consideration by the people of Georgia (short captions are those adopted by the Constitutional Amendments Publication Board):

- 1 -

Authorizes dedication of fees and taxes to their intended purposes by general state law.

House Resolution No. 164

Resolution Act No. 597

Ga. L. 2020, p. 919

(") YES

() NO

Shall the Constitution of Georgia be amended so as to authorize the General Assembly to dedicate revenues derived from fees or taxes to the public purpose for which such fees or taxes were intended?"

Summary

This proposal authorizes the Georgia General Assembly by general law to require that fees or taxes collected for some specific intended public purpose be used as so intended. It requires any such general law to identify the specific public purpose, name the state agency to administer the funds, require the agency to make annual reports of revenues and expenses, and automatically end the fee or tax within ten years. It prohibits the General Assembly from designating funds when total revenues so dedicated equal or exceed one percent of the total state revenues based on the previous fiscal year's appropriated state revenues. It exempts such general laws from certain state constitutional restrictions. It requires that such general laws, including amendments, be approved by two-thirds of each chamber of the General Assembly, but allows for repeal of such general laws by simple majority vote. It prohibits attempts to reallocate dedicated funds through any appropriations act or amendment. It provides for temporary suspension of such general laws by the Governor or by the General Assembly in the event of a financial emergency, subject to certain limitations. It amends Article III, Section IX, Paragraph VI of the Georgia Constitution by redesignating the second subparagraph (o), relating to the dedication of the excise tax on the sale of fireworks, as subparagraph (p), by redesignating subparagraph (p), relating to the Georgia Outdoor Stewardship Fund, as subparagraph (q), and by adding a new subparagraph (r).

A copy of this entire proposed constitutional amendment is on file in the office of the judge of the probate court and is available for public inspection.

- 2 -

Waives state and local sovereign immunity for violation of state laws, state and federal constitutions.

House Resolution 1023

Resolution Act No. 596

Ga. L. 2020, p. 917

(") YES

() NO

Shall the Constitution of Georgia be amended to waive sovereign immunity and allow the people of Georgia to petition the superior court for relief from governmental acts done outside the scope of lawful authority or which violate the laws of this state, the Constitution of Georgia, or the Constitution of the United States?"

Summary

This proposal waives state and local sovereign immunity so as to allow citizens to sue the State of Georgia, its departments and other agencies, and its local governments in superior courts and authorizes superior courts to order state and local officers and employees to cease violations of the Georgia Constitution, the laws of the State of Georgia, or the United States Constitution, beginning with violations occurring on or after January 1, 2021. It requires that such suits be brought only against the State or Georgia, or in the case of a local government, against the specific local government. It requires superior courts to dismiss any such lawsuit that names any individual state or local public officer or employee as a defendant. It maintains the ability of superior courts to dismiss such suits based on other appropriate legal or equitable grounds or limitation on review in superior court. It prohibits any type of monetary award, including attorney's fees or costs of litigation, unless authorized by an Act of the Georgia General Assembly. It does not prohibit the General Assembly from further waiving certain other immunities provided for under Georgia's Constitution, though it does not waive any immunity provided for by the United States Constitution. It amends Article I, Section II, Paragraph V of the Georgia Constitution by rendering the current text subparagraph (a) and adding a new subparagraph (b). A copy of this entire proposed constitutional amendment is on file in the office of the judge of the probate court and is available for public inspection.

SUMMARIES OF

PROPOSED STATE-WIDE REFERENDUM

QUESTIONS

Pursuant to Code Section 21-2-4 of the O.C.G.A., the Secretary of State is authorized to include with the summaries of proposed constitutional amendments summaries of any state-wide referendum questions to be voted on at the same general election:

- A -

Provides tax exemption for certain single-family homes owned by tax exempt charities.

House Bill No. 344

Act No. 149

Ga. L. 2019, p. 438

(") YES

() NO

Shall the Act be approved which provides an exemption from ad valorem taxes for all real property owned by a purely public charity, if such charity is exempt from taxation under Section 501(c)(3) of the federal Internal Revenue Code and such real property is held exclusively for the purpose of building or repairing single-family homes to be financed by such charity to individuals using loans that shall not bear interest?"

Summary

This proposal authorizes a new exemption from ad valorem taxes for all real property owned by a purely public charity, if such charity is exempt from federal taxation and such property is used only for building or repairing single-family homes to be financed by such charity to individuals using zero interest loans. It amends Code Section 48-5-41 of the Official Code of Georgia Annotated by deleting "and" at the end of paragraph (14), by replacing the period with "; and" at the end of paragraph (15), and by adding a new paragraph. If approved by a majority of the voters, the Act becomes effective on January 1, 2021, and applies to all tax years beginning on or after that date.
