Towns County Indians practice hard ahead of Golf State Tournament

By Chad Stack
Towns County Herald
Staff Writer

WARNER ROBINS – The Towns County Golf team headed south on Sunday, May 19, for the Indians' fifth straight Georgia High School Association State Golf Tournament.

After a Third-Place finish in last year's tournament, the Indians, under second-year Head Coach Brian Hunnicutt, spent all year preparing for the event.

Leading up to the tournament, which occurred after press time, the boys had a great two weeks of practice with the team's four seniors Will Travis, Kyler Garrett, Danny Reagan and Caleb Ledford, along with a talented sophomore Nick Sisco.

"We've been putting in a steady balance of range practice and playing on the course to prepare for state," said Hunnicutt. "When we get down to Southern Landings Golf Club, we'll play a practice round, and the boys will be able to get a game plan for how we want to play the course."

The Indians teed off at 2:30 p.m. Sunday for a practice round with Hunnicutt and some of the fathers.

During the practice round Sunday, the team played really well and were able to establish their approach for each hole. Indians Golf consists of five very talented golfers, and each capable of shooting in the 70s. "This is a balanced team that we have, and we could be the most balanced team in the state," said Hunnicutt. "We can play very well and post a great score."

"Last year, Gordon Lee shot a ridiculously low score that would have probably rivaled many college golf teams. They'll be tough again this year, but I don't think they're quite as strong."

For the past several years, they have been in the Top Five along with Ace Charter, Commerce, Schley County, and back-to-back state champs Gordon Lee.

"I know we're certainly capable of being in the hunt, because this group of seniors has been able to show that for the past five years," Hunnicutt said. "Overall, I'm so proud of this team, and they're an easy group to coach, no egos."

"With four seniors, they're a mature bunch. Nick Sisco has blended well with these boys and has brought quality golf all year. These seniors have had outstanding success during their careers. I'm happy that I got to come along for the ride these last two years."

The Indians teed off at different times Monday based on their scores from the area tournament, and each golfer got a warm-up hour to work on

their short game and driving.

After each group finished the front nine, the Southern Landings Golf Course served lunch to all the golfers before everyone went off to finish the back nine.

For the third year, the Georgia High School Association State Golf Tournament was a two-day, 36-hole event.

The last day of the state tournament was Tuesday, May 21, so be sure to check back next week for full results.
