## Golf: Towns County third at Class A Public State Championships

**Towns County Herald Sports Special**

COMMERCE - The Towns County Boys Golf Team brought home third place in the Class A Public State Tournament. This is believed to be the highest ever finish for a boys golf team from Towns County.

The team consists of (Senior) Chase Williams, (Juniors) Tyler Garrett, Connor Kelley, Danny Reagan, Will Travis and (Freshman) Nick Sisco.

The team finished second in The Area 4 Tournament on April 21st, qualifying them for the state tournament.

On May 21st and 22nd, the team competed against the 12 best golf teams from around the state at Double Oaks Golf Club in Commerce. Each team could only bring their top six golfers. The boys team used a stellar second day performance to leapfrog two teams after finishing the first day in fifth place.

The second day of the tournament saw the Indians fly past opponents and move into the top 3.

Chase Williams led the Indians shooting in the 70's both days, while battling against the top golfers in the state.

brutal early season knee dislocation to return to the team for Area and State, shooting in the 80's in both tournaments, while still wearing a brace on the injured knee.

Connor Kelley also provided

steady play and great ball striking to help pace the Indians.

Will Travis shot his two lowest rounds of the season at the state tournament, finishing both days in the low 80's and providing the team with magnificent

scores.

Danny Reagan and Nick Sisco brought the third place finish home, with both golfers shooting lights out and finishing with the best scores of their high school career.

The third place finish was a culmination of a very successful season for the Towns County Golf team. Towns won most of their regular season matches, often beating schools much larger. The team will return five of their six

golfers next year and will look to continue their success.

Senior, Chase Williams added the 3rd place finish to his outstanding career as a Towns County High golfer. Williams has been nominated as an All-State golfer for his outstanding play during the 2018 season.

The nomination was made by Area 4 golf coaches who witnessed Williams shoot low scores all season and perform as one of the top golfers in the state in Class A.

The senior finishes his career with numerous individual and team accomplishments. Williams led the Indians to four straight state tournament appearances, while placing as the low medalist in most of the competitions. Furthermore, he was voted for the Region 8 Male Sportsmanship Award and is nominated for the State Sportsmanship Award, a testament to his superb character as a competitor.

Williams will continue to play golf in college after closing out a very successful high school career.

*Editors note: Williams was named the Blitz Male Golfer of the Year following his third place finish at State. Williams beat out North Georgia golfers for the award.*
