initial learning curve because I had to figure it out with the students. Most of the students did really well with it."

More technology savvy students had no problem adapting to the new learning style, and teachers found that to be supremely helpful with the more difficult classes such as math and science.

"It was a tough year," Eighth-Grade Teacher Ken Hamilton said. "It was tough for everyone, not just the students and teachers. I would say that the majority of the students did good with the move."

"They learned just like the teachers did. They might have known more, because usually if you have a question about the technology, you would just ask the kids."

The Towns County School System is hoping that students will get to return

At the eight-grade graduation on May 28, Ryan Harger received an AB Honor Roll award for receiving all averages above 85 during the 2019-2020 school year. Photo by Lowell Nicholson

to campus for in-person instruction in the fall, and that schooling will return to a sort of normal next year.

EMC headquarters in Young Harris.

Anyone interested in being nominated will need to complete a Director Candidate Form by June 24.

Survey and Ballot Systems will once again handle the voting process for the upcoming meeting. Mail-in ballots, online voting and in-person voting will be options for voting in this year's election. Members can expect to receive ballots in the mail mid-to-late August.

For any Board of Director seat that has more than three

candidates running, ranked choice voting will be used. More information on ranked choice voting is available on the EMC website.

Members who attend the Annual Meeting will receive a registration gift. Door prizes will also be given out during the meeting.

BRMEMC employees will be in attendance to answer questions about products and services available to members. Representatives from several service industries will also be in attendance.

Due to the possibility of

the COVID-19 pandemic still being a concern at the time of the Annual Meeting, some logistics associated with the registration and voting process may be subject to change. For more information, visit brmemc.com.

June Convention and Visitors Bureau meeting cancelled

There will be no Convention and Visitors Bureau meeting for June. T(lm3.F3)SH
