The Towns County Indians celebrated Senior Night in Frank McClure Memorial Stadium on Friday, Oct. 19.

As with all great things, football is coming to a conclusion for 14 Towns County seniors: Nick Bradley, Trevor Bradley, Alan Gillis, Tyler Swanger, Chase Rogers, Danny Reagan, Jake Parker, Andrew Griffin, Trent Bradshaw, Wesly Calhoun, Jared Wiggins, Will Travis, Blaine Rogers and Hunter Frisk.

Many of these students played a large part in the historical 5-5 playoff team last year, which was undoubtedly one of the best teams in program history.

For these senior Boys in Blue, the Oct. 19 showdown against Commerce was their last game at home, and they will surely be missed next season.

The Towns County Indians took the field that Friday against the undefeated Tigers knowing it was going to be a challenge.

And though they walked away with a 49-7 loss that evening, the score didn't speak to the performance of the Indians, as they played with intensity and heart against a very talented opponent.

The Commerce Tigers are now 8-0 and are ranked ninth in 1A classification.

"Commerce is a talented team who plays very physical, but we have a wonderful opportunity ahead of us with Lakeview next week and the crossover game the following," said Indians Head

Coach John Cornett. "It's up to our underclassmen to give us a great week of practice so we will have the opportunity to send these seniors out with a win."

Alongside the football players being honored on Senior Night were Varsity Cheerleaders Emily Williams, Jordyn Haddow,

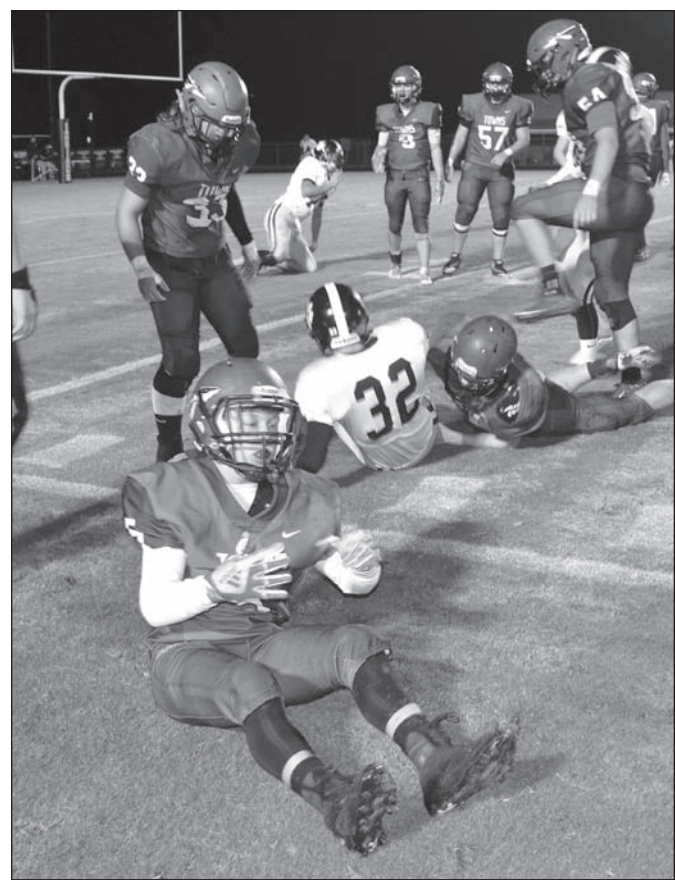

Vannah Chastain, Carly Woodard, Cara Wheeler and Kaitlyn Crowder.

Senior band members are Madison Lovell, Bill Scott, Adriana Floyd and Savannah Chastain.

The Towns County Varsity Football Team has an away

conference game at Lakeview Academy in Gainesville on Friday, Oct. 26, at 7:30 p.m.

Everyone in the community is urged to head down to Gainesville to show their support for these Towns County Indians.
